

HARI PRASATH

FULL STACK DEVELOPER

Career objective

Aspiring **MERN Stack Developer** with knowledge of **MongoDB, Express.js, React.js**, and **Node.js**, looking for an opportunity to begin my career in web development. Passionate about building efficient, scalable, and **user-friendly applications** while continuously improving my coding and **problem-solving** skills. Committed to learning modern technologies and contributing to the success of the organization.

Work Experience

MV Gold Finance (Oct 2024 - Jan 2026)

- Assisted **50+ customers per month in closing gold loans** by coordinating payments and ensuring timely settlements
- Handled 200 customer interactions monthly**, resolving loan-related queries and improving customer satisfaction
- Processed gold loan closures and renewals with high accuracy, **reducing delays in transactions**
- Managed gold buying and selling transactions, **maintaining secure** and accurate financial records
- Supported daily financial operations**, ensuring smooth workflow and timely service delivery

Projects

E-commerce website:

<https://my-mart-gilt.vercel.app/>

Description :

- Built a React-based E-commerce app with authentication, cart management, and order flow
- Designed a responsive and interactive UI
